
About us

We

greet you cordially on the homepages of our travel agency "Gajeta" d.o.o., which is specialising in private accommodation on Croatian territory. Croatia is an ideal country for a pleasant and unforgettable vacation, not only because of its amazing beauty of nature and clean Adriatic Sea, but also because of its cultural and historical sights in which it abounds.

Although

we conduct our business mostly over the Internet, this does not mean that we only exist "in virtual reality", not in the least! Our headquarters is in the heart of Split, in Varos - the old part of the city near the Marmontova street and Riva. Our business is based on high-quality touristic offers and professional service according to your wishes and needs.

On

our homepage you can find a great number of housing units with numerous photographs and information concerning the equipment and additional services, as well as information on all the entertaining and cultural events in those destinations.

We

are here to help you find the best accommodation in concordance with your wishes, and we will try to provide you with all the necessary information, recommendations and advice so as to make your holidays as carefree and enjoyable as possible!

Our

homepage is still a work in progress, so you can expect daily alterations and supplementations in the information part of our website.

Feel

free to contact us, and our young and professional team will do everything to make your stay in our beautiful country unforgettable!
