## Vinisce

Vinisce is a peaceful little village, situated in a beautiful cove between Primosten and Trogir. Most of the inhabitants are occupied with agriculture, fishing and tourism. The place is famous for its numerous small bays apt for bathing, for its pebble and stone beaches, promenade along the shore, clean air, virginal nature. The coastline near the place is famous for its underwater world which can be interesting for spear-fishing lovers and divers. Around Vinisce, there are few nice bays with beautiful sand and graveled beaches. One of the most beautiful bays is Stari Trogir (sand, stone and graveled beaches), Voluja, Krknjasi on Veli Drvenik, Vela Rina on Mali Drvenik, Ricevo Vrelo, Sicenica... There is a very strong fishing tradition in Vinisce so the fresh fish is always available, just like homemade culinary specialities. There are several stores in Vinisce and restaurants, pizza places, cafe bars, a post office, boat and pedaline renting is also available. Sports lovers can enjoy wind surfing, water skiing, diving, bowling... The nearness of famous touristic centres offers the possibility for the guest to enjoy the historical-cultural monuments and a rich night life. Rogoznica is only 15 km away, Primosten, one of the most picturesque places of the Adriatic only 20 km, "the city-museum" Trogir 20 km, the historical town Sibenik 50 km, Split (Diocletian's Palace) and antique Salona 50 km, Krka National Park 55 km.
